## RESEARCHER AND RESEARCH STUDENT ENRICHMENT PROGRAM

### Call for Participants!

R2SEP has been the primary source for ITS research students to build their research competence and skills since 2018. R2SEP received global attention in 2020 since being converted into an e-program open for global citizens.

Build your profile, and expand your research network!

### Targeted Participants

Started in 2021, R2SEP is **compulsory\*** for ITS Masters and Doctoral students of March 2021 intake. Committed to support Goal 4: Quality Education, R2SEP is also open to students of partner universities and global citizen.

#### ITS-based participants:

- Masters and Doctoral Students (compulsory\*)
